

TOOL STORAGE SOLUTIONS

WORK  
*Line*

The new range of Work Line tool bags is designed in Italy by GT Line and made exclusively for professionals looking for the most reliable companion to their heavy duty daily activity.

Main features:

High-performance fabric made of 600D polyester, resistant to abrasions, scuffs and chemical agents.

Refractive bands for maximum visibility, complying with the most recent safety standards requirements.

Durable, reinforced bottom and stitching for extra durability.

Heavy-duty zippers to assure easy operation.

Padded, slip-resistant, adjustable shoulder straps for hands-free mobility.

Ergonomic handles with rubber grips, provide maximum comfort even when fully loaded.

Range of models with padded compartments for safe lap top and tools transportation.

Multiple internal and external pockets and large compartments with padded pouches for a wide assortment of tools and supplies.
