Indexes for the **CHANCE® Tool Catalog**

This index lists the contents of only the Chance Tool Catalog. A list of the Tool Catalog sections is shown on the cover.

These indexes can help you find details on tools to build and maintain your transmission and distribution systems.

Table of Contents

Contents of Tool Catalog Sections..... Cover
 Numerical Index by Catalog Number 10-3 thru 10-11
 Alphabetical Index by Product Type..... 10-12 thru 10-18

These indexes will be out-of-order from time to time because of page updating. Typically, an item that does not appear on the page given in the Index will appear elsewhere in the catalog section.

How to use the Numerical Index

This index can be used to find the correct catalog page and price sheet for products listed in the Chance Tool Catalog.

The items are arranged in alpha-numeric sequence with the letter prefix numbers in alphabetical sequence, beginning with the left character. Catalog numbers without letter prefixes are in numeric sequence by the first digit, and then the following digit. For example:

- 1
- 10
- 100
- 1000
- 11
- 110
- etc.

Catalog Holders:

Should your catalog be reassigned, please notify us so that new and replacement pages will be sent to the correct person.

Warranty - Material

Hubbell Power Systems, Inc. warrants all products sold by it to be merchantable (as such term is defined in the Uniform Commercial Code) and to be free from defects in material and workmanship. Buyer must notify the Company promptly of any claim under this warranty. The Buyer's exclusive remedy for breach of this warranty shall be the repair or replacement, F.O.B. factory, at the Company's option, of any product defective under the warranty which is returned to the Company within one year from the date of shipment. NO OTHER WARRANTY, WHETHER EXPRESS OR ARISING BY OPERATION OF LAW, COURSE OF DEALING, USAGE OF TRADE OR OTHERWISE IMPLIED, SHALL EXIST IN CONNECTION WITH THE COMPANY'S PRODUCTS OR ANY SALE OR USE THEREOF. The Company shall in no event be liable for any loss of profits or any consequential or special damages incurred by Buyer. The Company's warranty shall run only to the first Buyer of a product from the Company, from the Company's distributor, or from an original equipment manufacturer reselling the Company's product, and is non-assignable and non-transferable and shall be of no force and effect if asserted by any person other than such first Buyer. This warranty applies only to the use of the product as intended by Seller and does not cover any misapplication or misuse of said product.

Warranty - Application

Hubbell Power Systems, Inc. does not warrant the accuracy of and results from product or system performance recommendations resulting from any engineering analysis or study. This applies regardless of whether a charge is made for the recommendation, or if it is provided free of charge.

Responsibility for selection of the proper product or application rests solely with the purchaser. In the event of errors or inaccuracies determined to be caused by Hubbell Power Systems, Inc., its liability will be limited to the re-performance of any such analysis or study.

NOTE: Because Hubbell has a policy of continuous product improvement, we reserve the right to change design and specifications without notice.
